**ADJUSTABLE RATE NOTE  
(HOME EQUITY CONVERSION)**

FHA Case No. [REDACTED]

**NOTICE TO BORROWER: THIS DOCUMENT CONTAINS PROVISIONS FOR A VARIABLE  
INTEREST RATE. THIS NOTE LIMITS THE MAXIMUM RATE I MUST PAY.**

SEPTEMBER 09, 2008  
228 HAWTHORNE ROAD  
MORTON, PA 19070

[Property Address]

**1. DEFINITIONS**

"Borrower" means each person signing at the end of this Note. "Lender" means  
**WELLS FARGO BANK, N.A.**

and its successors and assigns. "Secretary" means the Secretary of Housing and Urban  
Development or his or her authorized representatives.

**2. BORROWER'S PROMISE TO PAY: INTEREST**

In return for amounts to be advanced by Lender to or for the benefit of Borrower under the  
terms of a Home Equity Conversion Loan Agreement dated 09/09/08 ("Loan  
Agreement"), Borrower promises to pay to the order of Lender a principal amount equal to the sum  
of all Loan Advances made under the Loan Agreement with interest. Interest will be charged on  
unpaid principal at the rate of **THREE AND 580/1000**  
percent ( **3.580 %**) per year until the full amount  
of principal has been paid. The interest rate may change in accordance with Paragraph 5 of this  
Note. Accrued interest shall be added to the principal balance as a Loan Advance at the end of each  
month.

**3. PROMISE TO PAY SECURED**

Borrower's promise to pay is secured by a mortgage, deed of trust or similar security instrument  
that is dated the same date as this Note and called the "Security Instrument." That Security  
Instrument protects the Lender from losses which might result if Borrower defaults under this Note.

**4. MANNER OF PAYMENT**

**(A) Time**

Borrower shall pay all outstanding principal and accrued interest to Lender upon receipt of a  
notice by Lender requiring immediate payment in full, as provided in Paragraph 7 of this Note.

**(B) Place**

Payment shall be made at **WELLS FARGO BANK, N.A.**

**3480 STATEVIEW BLVD. MAC K7802-038**

**PORT MILL, SC 29715-7203**

**800-472-3209**

, or any

such other place as Lender may designate in writing by notice to Borrower.

**(C) Limitation of Liability**

Borrower shall have no personal liability for payment of the debt. Lender shall enforce the  
debt only through sale of the Property covered by the Security Instrument ("Property"). If this  
Note is assigned to the Secretary, the Borrower shall not be liable for any difference between  
the mortgage insurance benefits paid to Lender and the outstanding indebtedness, including  
accrued interest, owed by Borrower at the time of the assignment.

**5. INTEREST RATE CHANGES**

**(A) Change Date**

The interest rate may change on the first day of **DECEMBER 2008**, and on ☐ that  
day of each succeeding year ☒ the first day of each succeeding month. "Change Date"  
means each date on which the interest rate could change.

**(B) The Index**

Beginning with the first Change Date, the interest rate will be based on an Index. "Index"  
means the weekly average yield on United States Treasury Securities adjusted to a constant  
maturity of one year, as made available by the Federal Reserve Board. "Current Index" means  
the most recent Index figure available 30 days before the Change Date. If the Index (as defined  
above) is no longer available, Lender will use as a new Index any index prescribed by the  
Secretary. Lender will give Borrower notice of the new Index.

**(C) Calculation of Interest Rate Changes**

Before each Change Date, Lender will calculate a new interest rate by adding a margin of  
**ONE AND ONE-HALF**  
percentage points ( **1.500 %**) to the Current Index. Subject to the limits  
stated in Paragraph 5(D) of this Note, this amount will be the new interest rate until the next  
Change Date.

**(D) Limits on Interest Rate Changes**

☐ The interest rate will never increase or decrease by more than two percentage points  
(2.0%) on any single Change Date. The interest rate will never be more than five percentage  
points (5.0%) higher or lower than the initial interest rate stated in Paragraph 2 of this Note.

☒ The interest rate will never increase above **THIRTEEN AND 580/1000**  
percent ( **13.580 %**).

**(E) Notice of Changes**

Lender will give notice to Borrower of any change in the interest rate. The notice must be  
given at least 25 days before the new interest rate takes effect, and must set forth (i) the date  
of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the  
Current Index and the date it was published, (vi) the method of calculating the adjusted interest  
rate, and (vii) any other information which may be required by law from time to time.

**(F) Effective Date of Changes**

A new interest rate calculated in accordance with paragraphs 5(C) and 5(D) of this Note will become effective on the Change Date, unless the Change Date occurs less than 25 days after Lender has given the required notice. If the interest rate calculated in accordance with Paragraphs 5(C) and 5(D) of this Note decreased, but Lender failed to give timely notice of the decrease and applied a higher rate than the rate which should have been stated in a timely notice, then Lender shall recalculate the principal balance owed under this Note so it does not reflect any excessive interest.

**6. BORROWER'S RIGHT TO PREPAY**

A Borrower has the right to pay the debt evidenced by this Note, in whole or in part, without charge or penalty. Any amount of debt prepaid will first be applied to reduce the principal balance of the Second Note described in Paragraph 11 of this Note and then to reduce the principal balance of this Note.

All prepayments of the principal balance shall be applied by Lender as follows:

- First, to that portion of the principal balance representing aggregate payments for mortgage insurance premiums;
- Second, to that portion of the principal balance representing aggregate payments for servicing fees;
- Third, to that portion of the principal balance representing accrued interest due under the Note; and
- Fourth, to the remaining portion of the principal balance. A Borrower may specify whether a prepayment is to be credited to that portion of the principal balance representing monthly payments or the line of credit. If Borrower does not designate which portion of the principal balance is to be prepaid, Lender shall apply any partial prepayments to an existing line of credit or create a new line of credit.

**7. IMMEDIATE PAYMENT IN FULL**

**(A) Death or Sale**

Lender may require immediate payment in full of all outstanding principal and accrued interest if:

- (i) A Borrower dies and the Property is not the principal residence of at least one surviving Borrower, or
- (ii) All of a Borrower's title in the Property (or his or her beneficial interest in a trust owning all or part of the Property) is sold or otherwise transferred and no other Borrower retains title to the Property in fee simple or retains a leasehold under a lease for less than 99 years which is renewable or a lease having a remaining period of not less than 50 years beyond the date of the 100th birthday of the youngest Borrower or retains a life estate (or retaining a beneficial interest in a trust with such an interest in the Property).

**(B) Other Grounds**

Lender may require immediate payment in full of all outstanding principal and accrued interest, upon approval by an authorized representative of the Secretary, if:

- (i) The Property ceases to be the principal residence of a Borrower for reasons other than death and the Property is not the principal residence of at least one other Borrower;
- (ii) For a period of longer than 12 consecutive months, a Borrower fails to physically occupy the Property because of physical or mental illness and the Property is not the principal residence of at least one other Borrower; or
- (iii) An obligation of the Borrower under the Security Instrument is not performed.

**(C) Payment of Costs and Expenses**

If Lender has required immediate payment in full as described above, the debt enforced through sale of the Property may include costs and expenses, including reasonable and customary attorneys' fees, associated with enforcement of this Note to the extent not prohibited by applicable law. Such fees and costs shall bear interest from the date of disbursement at the same rate as the principal of this Note.

**(D) Trusts**

Conveyance of a Borrower's interest in the Property to a trust which meets the requirements of the Secretary, or conveyance of a trust's interests in the Property to a Borrower, shall not be considered a conveyance for purposes of this Paragraph. A trust shall not be considered an occupant or be considered as having a principal residence for purposes of this Paragraph.

**8. WAIVERS**

Borrower waives the rights of presentment and notice of dishonor. "Presentment" means the right to require Lender to demand payment of amounts due. "Notice of dishonor" means the right to require Lender to give notice to other persons that amounts due have not been paid.

**9. GIVING OF NOTICES**

Unless applicable law requires a different method, any notice that must be given to Borrower under this Note will be given by delivering it or by mailing it by first class mail to Borrower at the Property Address above or at a different address if Borrower has given Lender a notice of Borrower's different address.

Any notice that must be given to Lender under this Note will be given by first class mail to Lender at the address stated in Paragraph 4(B) or at a different address if Borrower is given a notice of that different address.

**10. OBLIGATIONS OF PERSONS UNDER THIS NOTE**

If more than one person signs this Note, each person is fully obligated to keep all of the promises made in this Note. Lender may enforce its rights under this Note only through sale of the Property.

**11. RELATIONSHIP TO SECOND NOTE**

**(A) Second Note**

Because Borrower will be required to repay amounts which the Secretary may make to or on behalf of Borrower pursuant to Section 255(i)(1)(A) of the National Housing Act and the Loan Agreement, the Secretary has required Borrower to grant a Second Note to the Secretary.

**(B) Relationship of Secretary Payments to this Note**

Payments made by the Secretary shall not be included in the debt due under this Note unless:

- (i) This Note is assigned to the Secretary; or
- (ii) The Secretary accepts reimbursements by the Lender for all payments made by the Secretary.

If the circumstances described in (i) or (ii) occur, then all payments by the Secretary, including interest on the payments, shall be included in the debt.

(C) Effect on Borrower

Where there is no assignment or reimbursement as described in (B)(i) or (ii), and the Secretary makes payments to Borrower, then Borrower shall not:

- (i) Be required to pay amounts owed under this Note until the Secretary has required payment in full of all outstanding principal and accrued interest under the Second Note held by the Secretary, notwithstanding anything to the contrary in Paragraph 7 of this Note; or
- (ii) Be obligated to pay interest or shared appreciation under this Note at any time, whether accrued before or after the payments by the Secretary, and whether or not accrued interest has been included in the principal balance of this Note, notwithstanding anything to the contrary in Paragraphs 2 or 5 of this Note or any Allonge to this Note.

12. SHARED APPRECIATION

If Borrower has executed a Shared Appreciation Allonge, the covenants of the Allonge shall be incorporated into and supplement the covenants of this Note as if the Allonge were a part of this Note.

13. GOVERNING LAW

All interest, fees and other amounts charged or accruing in connection with this Note which are considered "interest" within the meaning of Section 85 of the National Bank Act (12 USC ½ 85; 12 CFR 7.4001(a)) shall be governed by and interpreted under South Dakota law. In all other respects, this Note and all related documents, as well as the rights, remedies, and duties of the Bank and the borrower(s), shall be governed and interpreted by federal law with respect to national banks and, to the extent not preempted by federal law, the consumer protection laws of the state in which the real estate is located, except that Texas Finance Code Chapter 346 (which regulates certain revolving credit accounts) does not apply to this Note.

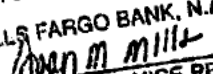

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Note.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

**BORROWER COVENANTS:** that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

**UNIFORM COVENANTS.** Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note.

2. **Payment of Property Charges.** Borrower shall pay all property charges consisting of taxes, ground rents, flood and hazard insurance premiums, and special assessments in a timely manner, and shall provide evidence of payment to Lender, unless Lender pays property charges by withholding funds from monthly payments due to the Borrower or by charging such payments to a line of credit as provided for in the Loan Agreement.

3. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire. This insurance shall be maintained in the amounts, to the extent and for the periods required by Lender or the Secretary of Housing and Urban Development ("Secretary"). Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss to Lender instead of to Borrower and to Lender jointly. Insurance proceeds shall be applied to restoration or repair of the damaged Property, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be

lessened, the insurance proceeds shall be applied first to the reduction of any indebtedness under a Second Note and Second Security Instrument held by the Secretary on the Property and then to the reduction of the indebtedness under the Note and this Security Instrument. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

**4. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence after the execution of this Security Instrument, and Borrower (or at least one Borrower, if initially more than one person are Borrowers) shall continue to occupy the Property as Borrower's principal residence for the term of the Security Instrument. "Principal residence" shall have the same meaning as in the Loan Agreement.

Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

**5. Charges to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in Paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument in the manner provided in Paragraph 12(c).

If Borrower fails to make these payments or the property charges required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.

To protect Lender's security in the Property, Lender shall advance and charge to Borrower all amounts due to the Secretary for the Mortgage Insurance Premium as defined in the Loan Agreement as well as all sums due to the loan servicer for servicing activities as defined in the Loan Agreement. Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower as provided for in the Loan Agreement and shall be secured by this Security Instrument.

**6. Inspection.** Lender or its agent may enter on, inspect or make appraisals of the Property in a reasonable manner and at reasonable times provided that Lender shall give the Borrower notice prior to any inspection or appraisal specifying a purpose for the inspection or appraisal which must be related to Lender's interest in the Property. If the property is vacant or abandoned or the loan is in default, Lender may take reasonable action to protect and preserve such vacant or abandoned Property without notice to the Borrower.

**7. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation shall be paid to Lender. The proceeds shall be applied first to the reduction of any indebtedness under a Second Note and Second Security Instrument held by the Secretary on the Property, and then to the reduction of the indebtedness under the Note and this Security Instrument. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

**9. Grounds for Acceleration of Debt.**

(a) **Due and Payable.** Lender may require immediate payment in full of all sums secured by this Security Instrument if:

- (i) A Borrower dies and the Property is not the principal residence of at least one surviving Borrower; or
- (ii) All of a Borrower's title in the Property (or his or her beneficial interest in a trust owning all or part of the Property) is sold or otherwise transferred and no other Borrower retains title to the Property in fee simple or retains a leasehold under a lease for less than 99 years which is renewable or a lease having a remaining period of not less than 50 years beyond the date of the 100th birthday of the youngest Borrower or retains a life estate (or retaining a beneficial interest in a trust with such an interest in the Property).

(b) **Due and Payable with Secretary Approval.** Lender may require immediate payment in full of all sums secured by this Security Instrument, upon approval of the Secretary, if:

- (i) The Property ceases to be the principal residence of a Borrower for reasons other than death and the Property is not the principal residence of at least one other Borrower; or
- (ii) For a period of longer than twelve (12) consecutive months, a Borrower fails to occupy the Property because of physical or mental illness and the Property is not the principal residence of at least one other Borrower; or
- (iii) An obligation of the Borrower under this Security Instrument is not performed.

(c) **Notice to Lender.** Borrower shall notify Lender whenever any of the events listed in this Paragraph (a) (i) or (b) occur.

(d) **Notice to Secretary and Borrower.** Lender shall notify the Secretary and Borrower whenever the loan becomes due and payable under Paragraph 9 (a) (i) or (b). Lender shall not have the right to commence foreclosure until Borrower has had thirty (30) days after notice to either:

- (i) Correct the matter which resulted in the Security Instrument coming due and payable; or
- (ii) Pay the balance in full; or
- (iii) Sell the Property for the lesser of the balance or 95% of the appraised value and apply the net proceeds of the sale toward the balance; or
- (iv) Provide the Lender with a deed in lieu of foreclosure.

(e) **Trusts.** Conveyance of a Borrower's interest in the Property to a trust which meets the requirements of the Secretary, or conveyance of a trust's interests in the Property to a Borrower, shall not be considered a conveyance for purposes of this Paragraph 9. A trust shall not be considered an occupant or be considered as having a principal residence for purposes of this Paragraph 9.

(f) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the Note not be eligible for insurance under the National Housing Act within **SIXTY DAYS** from the date hereof, if permitted by applicable law Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to **SIXTY DAYS** from the date hereof, declining to insure this Security Instrument and the Note, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

**10. No Deficiency Judgments.** Borrower shall have no personal liability for payment of the debt secured by this Security Instrument. Lender may enforce the debt only through sale of the Property. Lender shall not be permitted to obtain a deficiency judgment against Borrower if the Security Instrument is foreclosed. If this Security Instrument is assigned to the Secretary upon demand by the Secretary, Borrower shall not be liable for any difference between the mortgage insurance benefits paid to Lender and the outstanding indebtedness, including accrued interest, owed by Borrower at the time of the assignment.

**11. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full. This right applies even after foreclosure proceedings are instituted. To reinstate this Security Instrument, Borrower shall correct the condition which resulted in the requirement for immediate payment in full. Foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure

proceeding shall be added to the principal balance. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the Security Instrument.

#### **12. Lien Status.**

(a) **Modification.** Borrower agrees to extend this Security Instrument in accordance with this Paragraph 12(a). If Lender determines that the original lien status of the Security Instrument is jeopardized under state law (including but not limited to situations where the amount secured by the Security Instrument equals or exceeds the maximum principal amount stated or the maximum period under which loan advances retain the same lien priority initially granted to loan advances has expired) and state law permits the original lien status to be maintained for future loan advances through the execution and recordation of one or more documents, then Lender shall obtain title evidence at Borrower's expense. If the title evidence indicates that the Property is not encumbered by any liens (except this Security Instrument, the Second Security Instrument described in Paragraph 13(a) and any subordinate liens that the Lender determines will also be subordinate to any future loan advances), Lender shall request the Borrower to execute any documents necessary to protect the lien status of future loan advances. Borrower agrees to execute such documents. If state law does not permit the original lien status to be extended to future loan advances, Borrower will be deemed to have failed to have performed an obligation under this Security Instrument.

(b) **Tax Deferral Programs.** Borrower shall not participate in a real estate tax deferral program, if any liens created by the tax deferral are not subordinate to this Security Instrument.

(c) **Prior Liens.** Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to all amounts secured by this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

#### **13. Relationship to Second Security Instrument.**

(a) **Second Security Instrument.** In order to secure payments which the Secretary may make to or on behalf of Borrower pursuant to Section 255(i)(1)(A) of the National Housing Act and the Loan Agreement, the Secretary has required Borrower to execute a Second Note and a Second Security Instrument on the Property.

(b) **Relationship of First and Second Security Instruments.** Payments made by the Secretary shall not be included in the debt under the Note unless:

- (i) This Security Instrument is assigned to the Secretary; or
- (ii) The Secretary accepts reimbursement by the Lender for all payments made by the Secretary.

If the circumstances described in (i) or (ii) occur, then all payments by the Secretary, including interest on the payments, but excluding late charges paid by the Secretary, shall be included in the debt under the Note.

(c) **Effect on Borrower.** Where there is no assignment or reimbursement as described in (b)(i) or (ii) and the Secretary makes payments to Borrower, then Borrower shall not:

- (i) Be required to pay amounts owed under the Note, or pay any rents and revenues of the Property under Paragraph 19 to Lender or a receiver of the Property, until the Secretary has required payment in full of all outstanding principal and accrued interest under the Second Note; or
- (ii) Be obligated to pay interest or shared appreciation under the Note at any time, whether accrued before or after the payments by the Secretary, and whether or not accrued interest has been included in the principal balance under the Note.

(d) **No Duty of the Secretary.** The Secretary has no duty to Lender to enforce covenants of the Second Security Instrument or to take actions to preserve the value of the Property, even though Lender may be unable to collect amounts owed under the Note because of restrictions in this Paragraph 13.

14. **Forbearance by Lender Not a Waiver.** Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

15. **Successors and Assigns Bound; Joint and Several Liability.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender. Borrower may not assign any rights or obligations under this Security Instrument or under the Note, except to a trust that meets the requirements of the Secretary. Borrower's covenants and agreements shall be joint and several.

16. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address all Borrowers jointly designate. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Paragraph 16.

17. **Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

18. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and this Security Instrument.

**NON-UNIFORM COVENANTS.** Borrower and Lender covenant and agree as follows:

19. **Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by this Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 19.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by this Security Instrument is paid in full.

20. **Foreclosure Procedure.** If Lender requires immediate payment in full under Paragraph 9, Lender may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Paragraph 20, including, but not limited to, reasonable attorneys' fees and costs of title evidence to the extent permitted by applicable law.

21. **Lien Priority.** The full amount secured by this Security Instrument shall have the same priority over any other liens on the Property as if the full amount had been disbursed on the date the initial disbursement was made, regardless of the actual date of any disbursement. The amount secured by this Security Instrument shall include all direct payments by Lender to Borrower and all other loan advances permitted by this Security Instrument for any purpose. This lien priority shall apply notwithstanding any State constitution, law or regulation, except that this lien priority shall not affect the priority of any liens for unpaid State or local governmental unit special assessments or taxes.

22. **Adjustable Rate Feature.** Under the Note, the initial stated interest rate of 3.580 % which accrues on the unpaid principal balance ("Initial Interest Rate") is subject to change, as described below. When the interest rate changes, the new adjusted interest rate will be applied to the total outstanding principal balance. Each adjustment to the interest rate will be based upon the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board in Statistical Release H.15 (519) ("Index") plus a margin. If the Index is no longer available, Lender will use as a new Index any index prescribed by the Secretary. Lender will give Borrower notice of the new Index. Lender will perform the calculations described below to determine the new adjusted interest rate. The interest rate may change on the first day of **DECEMBER 2008**, and on ☐ that day of each succeeding year ☒ the first day of each succeeding month ("Change Date") until the loan is repaid in full.

The value of the Index will be determined, using the most recent Index figure available thirty (30) days before the Change Date ("Current Index"). Before each Change Date, the new interest rate will be calculated by adding a margin to the Current Index. The sum of the margin plus the Current Index will be called the "Calculated Interest Rate" for each Change Date. The Calculated Interest Rate will be compared to the interest rate in effect immediately prior to the current Change Date (the "Existing Interest Rate").

☐ (Annually Adjusting Variable Rate Feature) The Calculated Interest Rate cannot be more than 2.0% higher or lower than the Existing Interest Rate, nor can it be more than 5.0% higher or lower than the Initial Interest Rate.

☒ (Monthly Adjusting Variable Rate Feature) The Calculated Interest Rate will never increase above **THIRTEEN AND 580/1000** percent ( **13.580 %** ).

The Calculated Interest Rate will be adjusted if necessary to comply with these rate limitation(s) and will be in effect until the next Change Date. At any Change Date, if the Calculated Interest Rate equals the Existing Interest Rate, the interest rate will not change.

23. **Release.** Upon payment of all sums secured by this Security Instrument, this Security Instrument and the estate conveyed shall terminate and become void. After such occurrence, Lender shall discharge and satisfy this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

24. **Waivers.** Borrower to the extent permitted by applicable law, waives and releases any error or defects in proceedings to enforce this Security Instrument, and hereby waives the benefit of any present or future laws providing for stay of execution, extension of time, exemption from attachment, levy and sale, and homestead exemption.

25. **Reinstatement Period.** Borrower's time to reinstate provided in Paragraph 11 shall extend to one hour prior to the commencement of bidding at a sheriff's sale or other sale pursuant to this Security Instrument.

26. **Purchase Money Mortgage.** If any of the debt secured by this Security Instrument is lent to Borrower to acquire title to the Property, this Security Instrument shall be a purchase money mortgage.

27. **Interest Rate After Judgment.** Borrower agrees that the interest rate payable after a judgment is entered on the Note or in an action of mortgage foreclosure shall be the rate payable from time to time under the Note.

28. **Obligatory Loan Advances.** Lender's responsibility to make Loan Advances under the terms of the Loan Agreement, including Loan Advances of principal to Borrower as well as Loan Advances of interest, MIP, Servicing Fees, and other charges shall be obligatory.

29. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. [Check applicable box(es).]

☐ Condominium Rider ☐ Shared Appreciation Rider ☐ Planned Unit Development Rider

## Part 7: Other Provisions

### § 7(a) General principles applicable to the Plan

(1) Vesting of Property of the Estate (*check one box*)

☒ Upon confirmation

☐ Upon discharge

(2) Subject to Bankruptcy Rule 3012 and 11 U.S.C. §1322(a)(4), the amount of a creditor's claim listed in its proof of claim controls over any contrary amounts listed in Parts 3, 4 or 5 of the Plan.

(3) Post-petition contractual payments under § 1322(b)(5) and adequate protection payments under § 1326(a)(1)(B),(C) shall be disbursed to the creditors by the debtor directly. All other disbursements to creditors shall be made by the Trustee.

(4) If Debtor is successful in obtaining a recovery in a personal injury or other litigation in which Debtor is the plaintiff, before the completion of plan payments, any such recovery in excess of any applicable exemption will be paid to the Trustee as a special Plan payment to the extent necessary to pay priority and general unsecured creditors, or as agreed by the Debtor and the Trustee and approved by the court.

### § 7(b) Affirmative duties on holders of claims secured by a security interest in debtor's principal residence

(1) Apply the payments received from the Trustee on the pre-petition arrearage, if any, only to such arrearage.

(2) Apply the post-petition monthly mortgage payments made by the Debtor to the post-petition mortgage obligations as provided for by the terms of the underlying mortgage note.

(3) Treat the pre-petition arrearage as contractually current upon confirmation for the Plan for the sole purpose of precluding the imposition of late payment charges or other default-related fees and services based on the pre-petition default or default(s). Late charges may be assessed on post-petition payments as provided by the terms of the mortgage and note.

(4) If a secured creditor with a security interest in the Debtor's property sent regular statements to the Debtor pre-petition, and the Debtor provides for payments of that claim directly to the creditor in the Plan, the holder of the claims shall resume sending customary monthly statements.

(5) If a secured creditor with a security interest in the Debtor's property provided the Debtor with coupon books for payments prior to the filing of the petition, upon request, the creditor shall forward post-petition coupon book(s) to the Debtor after this case has been filed.

(6) Debtor waives any violation of stay claim arising from the sending of statements and coupon books as set forth above.

### § 7(c) Sale of Real Property

☒ None. If "None" is checked, the rest of § 7(c) need not be completed.

(1) Closing for the sale of \_\_\_\_\_ (the "Real Property") shall be completed within \_\_\_\_\_ months of the commencement of this bankruptcy case (the "Sale Deadline"). Unless otherwise agreed by the parties or provided by the Court, each allowed claim secured by the Real Property will be paid in full under §4(b)(1) of the Plan at the closing ("Closing Date").

(2) The Real Property will be marketed for sale in the following manner and on the following terms:

(3) Confirmation of this Plan shall constitute an order authorizing the Debtor to pay at settlement all customary closing expenses and all liens and encumbrances, including all § 4(b) claims, as may be necessary to convey good and marketable title to the purchaser. However, nothing in this Plan shall preclude the Debtor from seeking court approval of the sale pursuant to 11 U.S.C. §363, either prior to or after confirmation of the Plan, if, in the Debtor's judgment, such approval is necessary or in order to convey insurable title or is otherwise reasonably necessary under the circumstances to implement this Plan.

(4) At the Closing, it is estimated that the amount of no less than \$ \_\_\_\_\_ shall be made payable to the Trustee.

(5) Debtor shall provide the Trustee with a copy of the closing settlement sheet within 24 hours of the Closing Date.

(6) In the event that a sale of the Real Property has not been consummated by the expiration of the Sale Deadline: \_\_\_\_\_.

### Part 8: Order of Distribution

The order of distribution of Plan payments will be as follows:

Statement Date: October 02, 2023  
Month Ending: September 30, 2023

#### A. ANNUAL PERCENTAGE RATE (APR)

The ANNUAL PERCENTAGE RATE for the interest portion of your FINANCE CHARGE may increase or decrease annually based upon changes in the ("Index"). Therefore, the monthly and daily periodic rates relating to the interest portion of your FINANCE CHARGE may vary. To determine the ANNUAL PERCENTAGE RATE that will apply to your Account, we add a margin to the value of the Index, subject to certain rate limitations as provided in your Reverse Mortgage Note.

The corresponding annual percentage rate for the interest portion of the FINANCE CHARGE does not include costs other than interest. The historical ANNUAL PERCENTAGE RATE includes interest and all other FINANCE CHARGES that relate to your loan.

#### B. FINANCE CHARGES

Each advance or payment made to you or on your behalf under your Reverse Mortgage will be subject to a FINANCE CHARGE beginning on the day after each advance or payment is made. A FINANCE CHARGE will continue to be assessed on your Reverse Mortgage until the entire outstanding balance and all fees due under the Notes, Security Instruments and Loan Agreement are paid.

#### C. INTEREST

The interest portion of the FINANCE CHARGE on your Account is computed by (i) calculating the FINANCE CHARGE on the balance existing at the beginning of each month, which includes any payments or credits applied to your loan during the previous month, (ii) calculating the FINANCE CHARGE on each advance, payment or credit made to you or on your behalf during the month, and then (iii) adding all of these sums together, as follows:

We start with the outstanding principal balance on your Account at the beginning of each month, which includes FINANCE CHARGES from the previous month (the "Previous Loan Balance"). At the end of each month, we multiply the Previous Loan Balance by the then-current ANNUAL PERCENTAGE RATE divided by 12 (the "Monthly Periodic Rate").

At the end of each month in which any advances (also known as disbursements and labeled as "Disb" on this statement) or payments have been made to you or on your behalf, we multiply the amount of the advance or payment by the number of days remaining in the month after that advance or payment was made (not including the day the advance was made) and then multiply this amount by the then-current ANNUAL PERCENTAGE RATE divided by 365 (the "Daily Periodic Rate"). This calculation is repeated for each advance or payment made to you or on your behalf during the month.

The sum of the final result of these calculations equals the interest portion of your FINANCE CHARGE for the month.

#### D. MORTGAGE INSURANCE PREMIUMS (MIP)

In addition, mortgage insurance premiums ("MIP"), which are a FINANCE CHARGE, are computed by as follows:

At the end of each month, we multiply the lesser of the Previous Loan Balance or the maximum balance on which HUD requires MIP to be paid to it by your MIP rate divided by 12 (the "MIP Monthly Period Rate"). At the end of each month in which any advances (also known as disbursements and labeled as "Disb" on this statement) or payments have been made to you or on your behalf, we multiply the amount of the advance or payment (other than any advance or payment that exceeds the maximum advances or payments on which HUD requires MIP to be paid) by the number of days remaining in the month after that advance or payment was made (not including the day the advance was made), and then multiply this amount by your MIP rate divided by 365 (the "MIP Daily Periodic Rate"). This calculation is repeated for each advance or payment made to you or on your behalf during the month.

The sum of the final result of these calculations equals the mortgage insurance portion of your FINANCE CHARGE for the month.

#### E. CALCULATION OF BALANCES

The "Principal Limit Information" section on the front of the monthly statement shows your "Original Principal Limit" and your "Net Principal Limit" which includes any "Set Asides". The "Loan Balance" section on page 2 of this monthly statement shows your prior month's Previous Loan Balance and your current month's Closing Loan Balance, which includes the current month's activity. If you would like to determine your payoff balance or if you have any questions on this monthly statement, please call the telephone number listed on the bottom of this monthly statement.

#### F. OTHER INFORMATION

We compute the interest and other fees assessed on your loan monthly. This information is available on page 2 of this monthly statement each month. This monthly statement indicates both the current month and year to date interest and other fees. If you repay all or a portion of your loan balance and the annual interest paid due to a repayment exceeds \$600, a separate IRS Form 1098 will be mailed to you by January 31st. Interest accrued on this loan, other than repayments, will not be reported to the IRS until the loan is paid in full.

Even though payments are not required on a reverse mortgage, by law, you are still required to meet all obligations as outlined in your Notes, Security Instruments and Loan Agreement. This includes paying your property taxes and insurance premiums.

#### H. CREDIT INFORMATION

However, you have the obligation to pay your property taxes and insurance premiums. The loan must be repaid in full in one payment if your loan has been called "Due and Payable".
